94-series/95-series/96-series Brackets

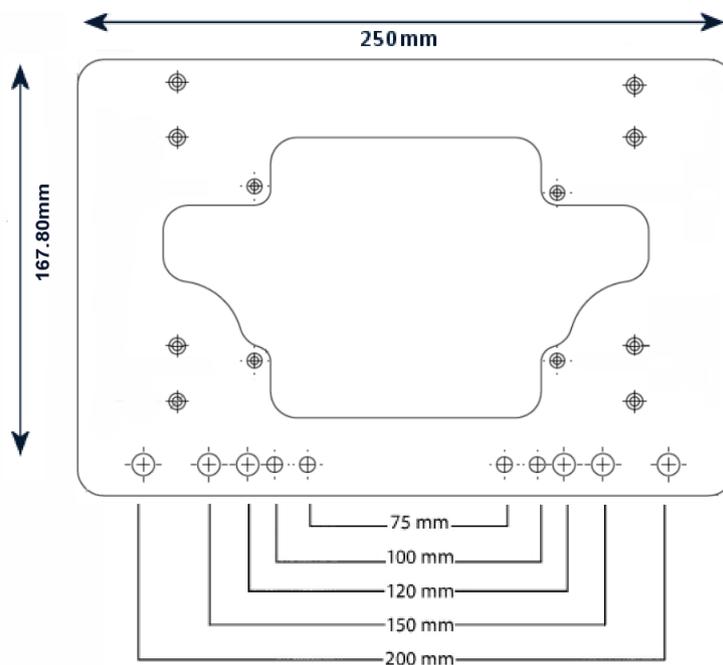

Simple Wall Bracket (part number 06024, avstr-bkt-sm-b)

- Allows 94-series and 96-series Media Players to be mounted on a wall.
- Can be used with m9400, m9405 and m9605 devices.
- Two brackets are supplied and required per unit.
- Supplied with four M3 x 8mm CSK Pozi Drive (Stainless) screws.
- Note that this bracket is **not** compatible with 95-series Media Players.

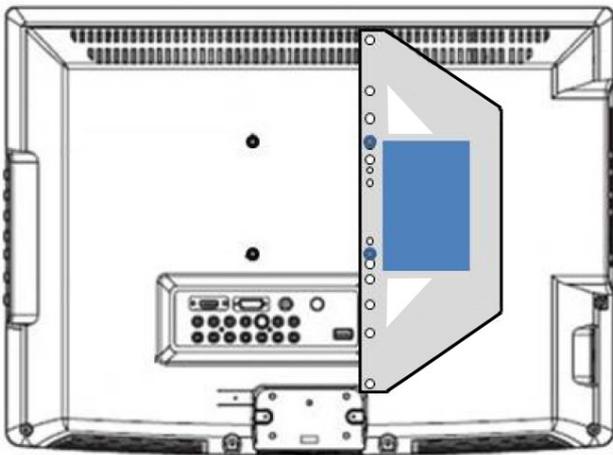

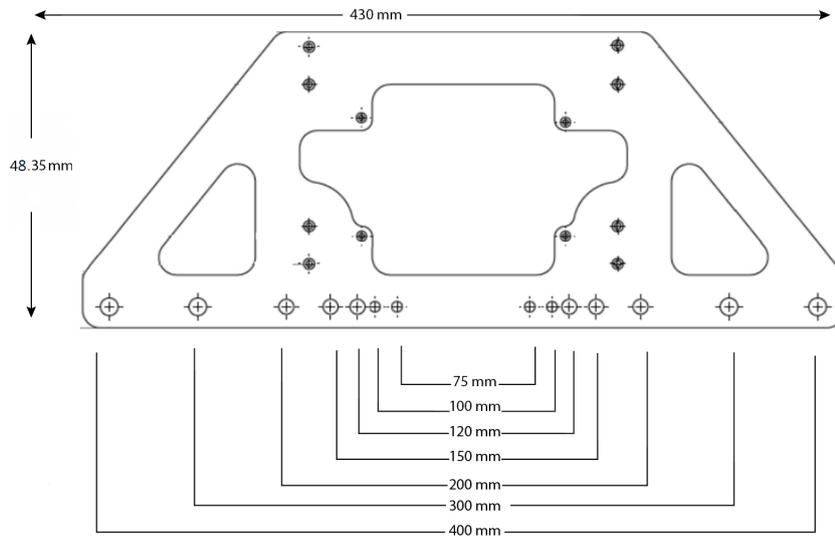

Behind Screen Mount - Small Plate (part number 06026, avstr-bkt-vs)

- Securely attaches 94-series/95-series/96-series Media Players to the back of any standard plasma/LCD TV (for screens with VESA mount hole spacings up to 200mm). Attaches to standard fixing points.
- Can be used with m9400, m9405, m9500 and m9605 devices.
- Supplied with four M3 x 8mm CSK Pozidriv (Stainless) screws and two M10 washers.

Behind Screen Mount - Large Plate (part number 06025, avstr-bkt-vl)

- Securely attaches 94-series/95-series/96-series Media Players to the back of any standard plasma/LCD TV (for screens with VESA mount hole spacings up to 400mm). Attaches to standard fixing points.
- Can be used with m9400, m9405, m9500 and m9605 devices.
- Supplied with four M3 x 8mm CSK Pozidriv (Stainless) screws and two M10 washers

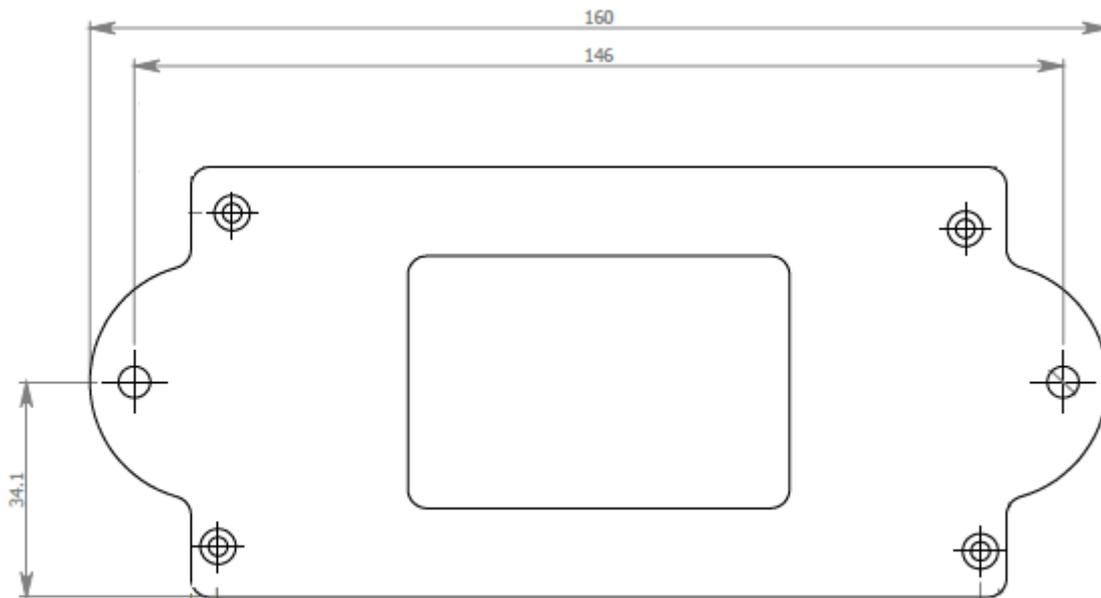

To fit the device to a TV using the large TV mounting plate:

1. Locate and prise off the removable feet from the underside of the device.
2. Align the device as shown above and attach to the bracket using four supplied M3x8 Pozidriv cross CSK flat head screws.

93-/95-series Brackets

Simple Wall Bracket (part number 06023, avstr-bkt-sm-a)

- Allows an 93-/95-series Media Player to be mounted on a wall.
- Can be used with r9300, m9305 and m9500 devices.
- Supplied with two M2.5 x 4mm screws.

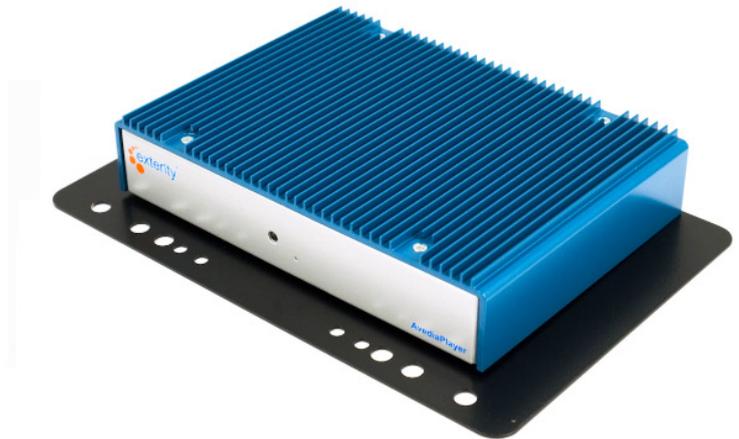

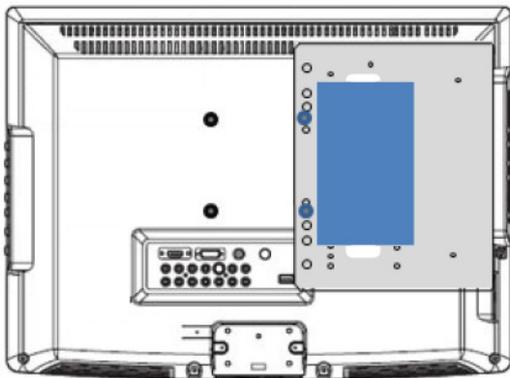

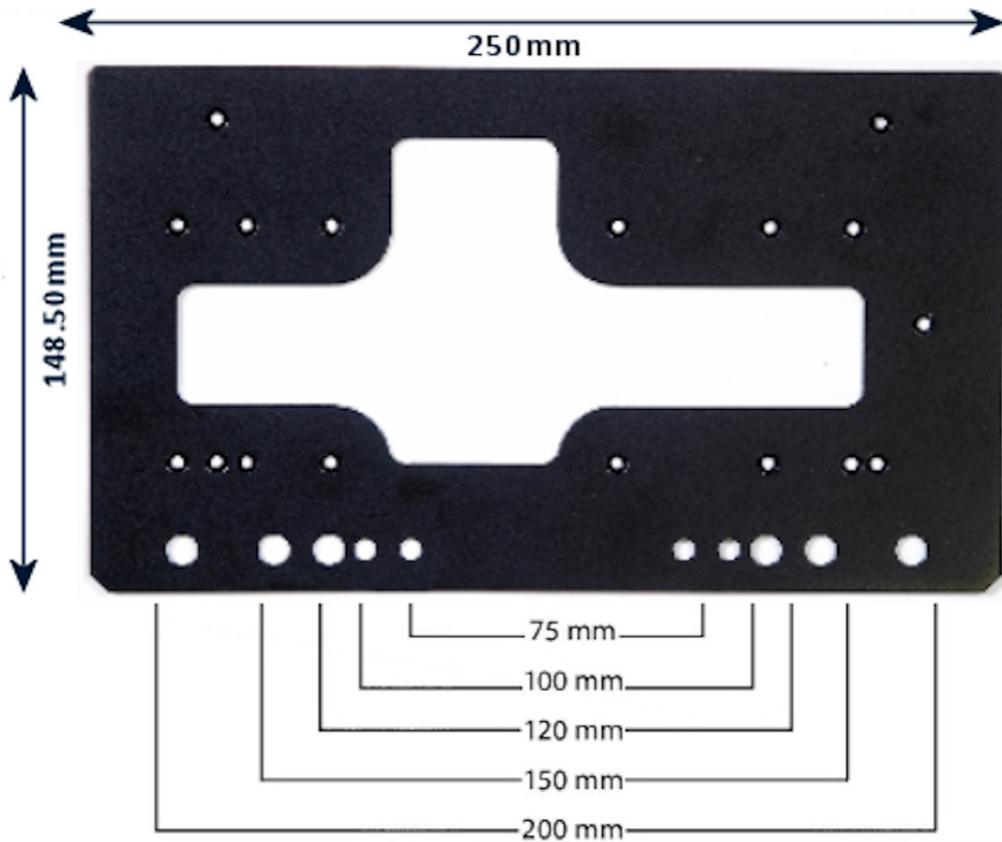

All dimensions in millimetres.

93-series Behind Screen Mount - Small Plate (part number 06022, avply-vsbt)

- Securely attaches 93-series Media Players to the back of any standard plasma/LCD TV (for screens with VESA mount hole spacings up to 200mm).
- Can be used with r9300 and m9305 devices.
- Supplied with four m2.5 x 4mm screws and two M8 washers.

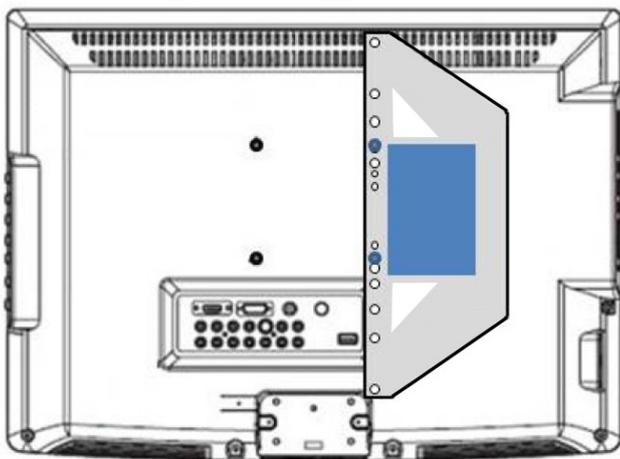

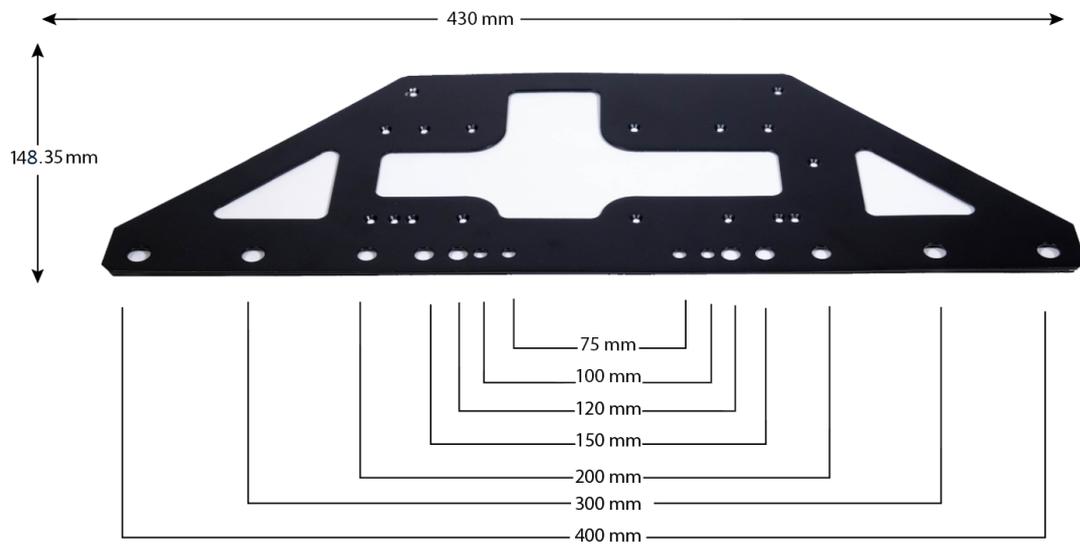

To fit the device to a TV using the small TV mounting plate:

1. Locate and prise off the removable rubber feet from the underside of the device.
2. Align the device as shown above and attach to the bracket using four supplied M2.5 x4 Pozidriv cross CSK flat head screws.

93-series Behind Screen Mount - Large Plate (part number 18337, avply-vlbkt)

- Securely attaches 93-series Media Players to the back of any standard/plasma/LCD TV (for screens with VESA mount hole spacings up to 400mm).
- Can be used with r9300 and m9305 Media Players.
- Supplied with four M2.5 x 4mm screws and two M10 washers.

93-series Under Desk Mounting Bracket (part number 06021, avply-dbkt)

- Allows 93-series Media Players to be attached under a desk, shelf or on a wall.
- Can be used with r9300 and m9305 Media Players.
- Supplied with four M2.5 x 4mm screws.

To fit the media player to a surface:

- Locate and prise off the removable feet from the underside of the device.
- Align the device as shown above and attach to the bracket using the two supplied M2.5x4mm Pozidriv screws.
- Use suitable fasteners to attach the completed assembly to a wall, or to the underside of a desk or counter surface as shown above.

Fitting a Kensington Lock

Fitting a Kensington type lock to a 93-/95-series Media Player offers a method of securing the device whilst allowing easy access to cables and re-positioning if required.

The following are required:

- A 93-/95-series Media Player
- Kensington lock
- Secure anchor point

To fit a Kensington Lock:

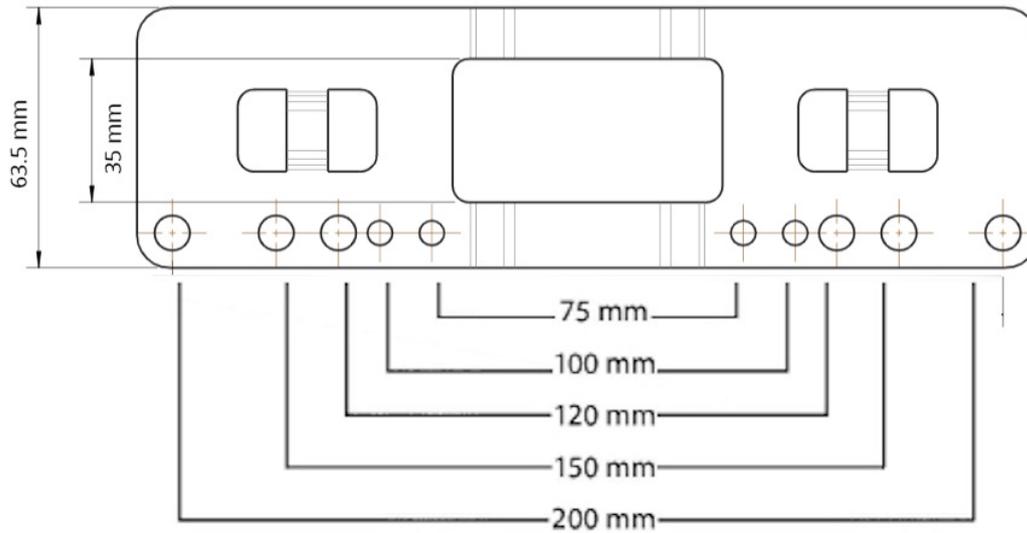

1. Locate the Kensington Lock slot at the right rear of the device as shown below.
2. Secure the non-lock end of the cable.
3. Insert the lock into the device slot and secure.

Chromecast Bracket (part number 06066, vshare-chrome-bkt)

VITEC's Google Chromecast bracket consists of an aluminium VESA mount and security bracket, offering a method of securing the device. It has standard VESA mounting holes for mounting behind a display.

Note: The Chromecast bracket is compatible with 3rd Generation Chromecast only.
