LV761H	✓		10.6
LX761H	✓		10.6
SM5KE		✓	9.12

Note: Not all features are available on all platforms.

Models tested with various firmware versions. Contact VITEC for the most up to date compatibility details as new functionality may require more recent firmware or software on the display. The models above are approved for VITEC IPTV installations. LG may warrant that other models, using the same firmware/software, operate in exactly the same way as the models supported. Check with VITEC for the most up to date Software and Firmware compatibility. This certificate is valid until rescinded by VITEC.

Avedia IPTV & Digital Signage Platform

TECHNOLOGY PARTNER TV Conformance Testing Approval **Samsung**
