LU761H	✓		8.7.1
SM5KD		✓	9.5
SM5KE		✓	9.12

**Note: Not all features are available on all platforms.**

Models tested with various firmware versions. Contact VITEC for the most up to date compatibility details as new functionality may require more recent firmware or software on the display. \*Pro:Idiom and Pro:Idiom Media support for these models. Please note that there is no Pro:Idiom support for LG signage displays used with ArtioSign. The models above are approved for VITEC IPTV installations. LG may warrant that other models, using the same firmware/software, operate in exactly the same way as the models supported. Check with VITEC for the most up to date Software and Firmware compatibility. This certificate is valid until rescinded by VITEC.
